

## Instructions for obtaining a MKYI

In order to travel on the MET bus you are required to:

1. Complete the application form supplying two legible **passport** sized photos.
2. Bring the form into the Front Office to be stamped and signed at the College.
3. Once signed and stamped, you are required to take it to Frankston Station with payment, where a Concession Card and Yearly Pass will then be issued.
4. A MYKI tax receipt/invoice will be given to you. This receipt **must be** passed back to the College in order to receive the **full rebate of the Yearly Pass cost (where eligible)**.

If you are experiencing difficulty in paying we ask that you contact the College.
