

VET Programs 2027

What is VET (Vocational Education and Training)?

Vocational Education and Training (VET) refers to enhanced senior school studies, which enables a secondary student to combine their **Victorian Certificate of Education (VCE)**, **Victorian Certificate of Education Vocational Major (VCE-VM)** or **Victorian Pathways Certificate (VPC)** studies with vocational training.

VET assists VCE and VCE VM students in making the transition to further education, training and employment through the development of work-related competencies, skills and knowledge in a particular industry. VET programs allow students to gain the VCE or VCE VM and a Certificate II, III or IV qualification in areas of specific interest.

Padua College offers senior secondary students VET qualifications selected from a range of industry areas. Students can choose from over 40 different courses in all areas of interest. Some courses are delivered onsite at Padua College or off-site by other Registered Training Organisations. Classes typically run on Wednesday or Friday complementing the VCE VM and VPC programs.

VET opens many future career opportunities in areas with increasing employment demands. For example, VET offers nationally recognised qualifications that create pathways to over 500 careers in a diverse range of industries including Health, Technology, Engineering, Food, Science, Construction, and IT. The practical nature of VET allows you to develop valuable skills and knowledge and gives you the opportunity to apply them in the workplace. VET also develops your employability skills. By selecting a VET subject, it can make a valuable contribution to your education and your future.

Please note that courses offered are subject to sufficient class numbers. Additional fees and costs are applicable to all VET subjects whether held on campus or at an external provider. The school does not provide transport to the external training provider. Students need to make their own transport arrangements. For more information of courses on offer, costs and future pathways, please speak with our VET Coordinator on 5976 0100 or email vet@padua.vic.edu.au.

How does it work?

VET programs are delivered at Padua College, Chisholm TAFE and at some of the other partner schools or Registered Training Providers (RTO). Classroom training is combined with practical and simulated experiences, and Structured Workplace Learning (SWL) in the industry.

How does VET contribute to the ATAR /VCE/ VCE VM and VPC?

Direct credit towards the Australian Tertiary Admission Rank (ATAR): selected VCE VET programs are offered as scored assessment (study scores) for Units 3 & 4 in the same way all VCE studies and include an end-of-year examination and study score.

Block Credit towards the ATAR: a contribution of 10% of the lowest subject score as a fifth or sixth subject
Credits towards the VCE VM and VPC: 180 nominal hours' worth of completed units of competency from a Certificate II qualification or higher will provide two credits towards a VCE VM or VPC program.

How do students apply?

Students who are interested in undertaking a VET program will be provided with information on courses and guidance at the Careers and Pathway Interviews. Students will then select the relevant VET course when completing their online subject selection and will also need to register for the course by completing and returning an application form and a non-refundable deposit by the due date.

Please note:

- All VET programs incur additional costs
- Most programs are subsidised by the Melbourne Archdiocese Catholic Schools, however there are no additional discounts for Health Care Cards or “Free TAFE” programs
- Students need to make their own travel arrangements to and from the external VET location
- Courses are dependent on numbers and may be oversubscribed or cancelled due to low demand
- Students may miss Padua College timetabled classes. Some classes may extend beyond normal school hours.

Certificate III in Acting (Screen)

Course Code 22576VIC

This course is designed for students who are passionate about this specialised subject and intend to pursue an acting career. It provides skills and knowledge in a broad range of foundation and intermediate acting tasks relating to film and television, to enhance employment prospects as performers in film and television.

VET Acting is delivered to Years 10, 11, 12 students and includes:

- Filming in front of a camera / Film production
- Confidence and communication building
- Preparation and presentation for interviewing, auditioning and screen-testing
- Digital skills development relevant to industry
- Development and application of creative arts industry knowledge
- Development of performance skills and script knowledge
- Acting technique development

Contribution to VCE/VCE-VM

On completion of the program students are eligible for four credits towards their VCE, two at Unit 1&2 and a Unit 3&4 sequence. Students who successfully complete the Unit 3&4 sequence will be eligible for a 10% increment towards their ATAR. VTAC may award students who receive a Unit 3&4 sequence through Block Credit recognition, 10% of their fourth subject.

Types of Assessment

Practical, Theory, Performance, Filming

Packaging Rules

16 units of competency - 8 core units and 8 electives

Structured Workplace Learning

Structured Workplace Learning is not mandated for this course but strongly recommended

Course Fees

Indicative fees for 2026 - \$1,200

Course Duration

This course is run over two years.

Delivery Location & RTO

This course is delivered at Elisabeth Murdoch College - Langwarrin - RTO is Australian College of Dramatic Arts

Occupational Titles

- Actor
- Roles in community theatre
- A performer in smaller productions.

Further Study

- Diploma in Theatre Technology
- Advanced Diploma in Performing Arts

Bachelor of Performing Arts Certificate II in Agriculture Course Code AHC20116

Certificate II in Agriculture is an introductory course that prepares students for work in the Agriculture industry. The course aims to provide students with knowledge and skills in a range of basic agricultural practices, including aspects of plant production.

Contribution to VCE/VCE-VM

On successful completion of the program: recognition of two (2) or more units at Units 1&2 level and a Unit 3&4 sequence. Students who successfully complete the Unit 3&4 sequence will be eligible for an increment as their fifth or sixth subject towards their ATAR. This is not a scored Program (there are no examinations).

Types of Assessment

- Written assessment
- Practical assessment

Packaging Rules

18 Units of Competency - 3 core units and 15 electives

Structured Workplace Learning

Structured Workplace Learning is not mandated for this course but strongly recommended

Course Fees

Elisabeth Murdoch College - \$2570 peryear Bayside CC - TBC

Course Duration

This course is run over 2 years

Delivery Location & RTO (if different to delivery location)

Elisabeth Murdoch College

Bayside Christian College - Access Skills Training

Occupational Titles

- Assistant animal attendant or stockperson,
- Assistant farm or station hand,
- Assistant farm or station worker.
- Farm Manager
- Agricultural Scientist
- Animal Technician

Further Study

- Certificate III/IV/Diploma in Agriculture
- Diploma of Agriculture
- Bachelor of Agriculture Science
- Bachelor of Science (Major in Ag Science)

Certificate II in Animal Care

Course Code ACM20121

The aim of the course is to provide the basic skills and knowledge to become an animal carer. You will learn how to care for a variety of animals and provide information on companion animals, products and services. Gain the practical skills and basic knowledge needed for entry level work in the animal care and management industry where workers provide care for animals in workplaces such as animal shelters, boarding/daycare facilities, and vet clinics. Learn how to assist with general animal care, provide food and water for animals and follow OH&S procedures in the workplace. Students will work with guinea pigs, rabbits, fish and reptiles, and other animals as available.

Contribution to VCE/VCE-VM

This is not a VET scored assessment. Credit in the VCE (including VCE VM and VPC): recognition of up to three VCE VET units at Units 1 and 2 level, and a VCE VET Unit 3&4 sequence.

Types of Assessment

Practical assessments and written assessments including work to be completed at home between classes.

Packaging Rules

12 units of competency - 7 core units and 5 electives

Structured Workplace Learning

Structured Workplace Learning is not mandated for this course but is strongly recommended.

Delivery Location & RTO

This course is delivered at Padua College. RTO is Box Hill Institute.

Course Fees

The indicative cost for this course is \$550

Occupational Titles

- Animal attendant
- Animal carer
- Kennel hand
- Assistant animal groomer

Further Study

- Certificate III in Captive Animals
- Certificate IV in Veterinary Nursing
- Diploma of Animal Technology
- Companion Animal Trainer/Behaviourist

Certificate II in Applied Fashion & Textiles

Course Code MST20722

This course provides an introductory overview of skills applied in the fashion industry. It includes skills used in the design and production of garments and millinery, as well as in the development of unique fashion and textile designs used in Indigenous Australian culture. The aim of the course is to provide students with the skills and knowledge to achieve competencies that will enhance their employment prospects in the textiles, clothing and footwear industry and to enable students to make a more informed choice regarding further education and career paths.

Contribution to VCE/VCE-VM

Credit in the VCE (including VCE VM and VPC): recognition of up to five VCE VET units at Units 1 and 2 level, and a VCE VET Unit 3&4 sequence. On completion of the program, students are eligible for five credits towards their VCE, three at Unit 1 & 2 level and a Unit 3 &4 sequence. Students who successfully complete the Unit 3&4 sequence will be eligible for a 10% increment toward their ATAR.

Types of Assessment

Written assessment and practical assessment – using a sewing machine, making a simple garment. Students will be required to purchase a folio and sewing kit. At least four garments will be expected to be made per year with material purchased by students.

Structured Workplace Learning

Structured Workplace Learning is not mandated for this course but is strongly recommended.

Packaging Rules

12 Units of Competency - 6 core units and 6 electives

Delivery Location & RTO

Elisabeth Murdoch College - Collarts

Course Fee

Indicative fee for 2026 - \$2,000 per year

Occupational Titles

- Designer
- Production Assistant
- Machinist and/or Quality Control
- Wholesale, product sourcing and online sales

Further Study

- Certificate III in Apparel Fashion and Textile
- Certificate IV in Apparel and Fashion
- Certificate IV in Textile Design and Technology
- Bachelor of Design (Fashion Design)
- Bachelor of Design (Visual Merchandising)

Certificate II in Automotive Vocational Preparation

Course Code AUR20720

This course introduces students to the theory and practical skills of automotive maintenance and repair in a hands-on learning environment. Students develop foundational skills in identifying, inspecting and maintaining mechanical and electrical components across a range of automotive vehicles. The course also includes minor vehicle body repairs, practical work experience, employability skills, and provides pathways into automotive apprenticeships and careers.

Contribution to VCE/VCE-VM

Students undertaking AUR20720 Certificate II in Automotive Vocational Preparation (Release 1) are eligible for up to four VCE VET units on their VCE (including VCE VM and VPC) statement of results:

- Two VCE VET units at Units 1&2 level
- A VCE VET Unit 3&4 sequence

Types of Assessment

Written assessment and Observation assessments

Packaging Rules

12 units of competency - 7 core units and 5 electives

Structured Workplace Learning

Structured Workplace Learning is not mandated for this course but strongly recommended

Delivery Location & RTO

Chisholm Frankston Somerville Secondary College,
Western Port secondary College – AGA

Course Fees

Chisholm Frankston - \$3,460 per year | Somerville Secondary College - \$2,251 Western Port Secondary College - AGA TBC

Course Duration

This course is run over 2 years

Occupational Titles

- Automotive service person
- Automotive apprentice
- Trades Assistant
- Vehicle service assistant

Further Study

Certificate III in:

- Agriculture Mechanic
- Heavy Commercial Trailer Mechanic
- Heavy Vehicle Body and Chassis Repair
- Technician
- Diesel Engine Mechanic
- Diesel Fuel Mechanic

Certificate III in Aviation (Remote Pilot)

Course Code AVI30419

Remote pilots operating at this level will apply non-technical and technical knowledge and skills to demonstrate autonomy and judgment and will take limited responsibility within established regulatory parameters. Individuals will learn to operate remotely piloted aircraft (drones) within visual line of sight below 400 feet outside of controlled airspace, greater than three nautical miles from an aerodrome, outside of populous areas. Students will also complete the requirements for certification by the Civil Aviation Safety Regulation (CASR).

Contribution to VCE/VCE-VM

On completion of the program students are eligible for four credits towards their VCE, two at Units 1-2 and a Unit 3-4 sequence. Students who successfully complete the Unit 3-4 sequence will be eligible for a 10% increment towards their ATAR.

Types of Assessment

Question of students directly

- Pop quizzes throughout the online training material Questions from the study guide for students
- Exercises during the practical component of flight training
- Sample problems and scenarios during the practical component of flight training
- At end of the theory a final examination will be taken

Packaging Rules

14 units of competency

9 core units and 5 electives

Structured Workplace Learning

Structured Workplace Learning is not mandated for this course but is strongly recommended.

Course Fees

Indicative fee for 2026 TBC

Course Duration

This course is run over 2 years

Delivery Location & RTO

This course is delivered online at Elisabeth Murdoch College - National Drones

Occupational Titles

The following is a sample of the industries in which drones can be used:

- Agriculture
- Real Estate
- Building and Construction
- Aerial Photography
- Telecommunications

Further Study

Remote Pilot License Multirotor 25kg for existing flight crew holders or RePL holders

Certificate III in Beauty Services

Course Code SHB30121

This qualification reflects the role of individuals employed as beauticians to provide a range of beauty services including nail, waxing, lash and brow, and basic make-up services.

These individuals possess a range of well-developed technical and customer service skills where discretion and judgment are required and are responsible for their own outputs. This includes client consultation on beauty products and services.

Work is typically conducted in beauty, waxing, brow and nail salons.

Contribution to VCE/VCE-VM

Credit in the VCE or VCAL: recognition of up to four VCE VET units at Units 1&2 level, and a VCE VET Units 3&4 sequence.

Types of Assessment Written assessment Practical assessment

Packaging Rules

18 Units of competency - 14 core units and 4 elective units

Structured Workplace Learning

Structured Workplace Learning is not mandated for this course but strongly recommended

Course Fees

Indicative fees - Holmesglen - Moorabbin - \$2700, Casey College of Beauty- \$3700 Chisholm TBC

Course Duration

This course is run over 2 years

Delivery Location

Casey College of Beauty Therapy – Mornington Peninsula, Cranbourne, Berwick Chisholm – Frankston

Occupational Titles

- Beauty Therapist
- Beauty blogger/writer
- Beauty Sales Representative
- Makeup Artist

Further Study

- Certificate III in Nail Technology
- Certificate IV in Beauty Therapy
- Diploma of Beauty Therapy

Certificate II in Building and Construction (Pre-apprenticeship) Course Code 22614 VIC

This program will provide students with the knowledge and skills to enhance their employment prospects in the building and construction industry as an apprentice. The course consists of a core of common cross sector units of competency that provide skills and knowledge in applying basic leveling procedures, carrying out basic measurements and calculations, communicating in the workplace, erecting and safely using working platforms, interpreting basic plans and drawings, preparing and applying for work in the construction industry, working effectively and sustainably in the construction industry and workplace safety practices onsite. The course also includes a range of units that introduce the learner to the application of specific materials, tools and equipment, and techniques used in specific trade sectors. On successful completion of this course, students will have achieved the pre-apprenticeship certificate. Students will be required to attend training to obtain the Construction Induction Card (known as a White Card) undertaken at Padua College.

Contribution to VCE/VCE-VM

Credit in the VCE or VCE VM: recognition of up to four VCE VET units at Units 1 and 2 level, and a VCE VET Units 3&4 sequence.

Types of Assessment

Written assessment and practical assessment. The VCE VET Building & Construction program does not offer scored assessment.

Packaging Rules

19 units of competency - 6 core units and 13 electives. Includes White Card and First aid

Structured Workplace Learning

Structured Workplace Learning is not mandated for this course but is strongly recommended

Course Fees

Indicative fees for 2026 \$950.00

Course duration

This course is run over 2 years

Delivery Location & RTO

This course is delivered at Padua College. RTO Code 121314. External RTO to deliver CPCWHS1001 and HLTAID010

Occupational Titles

- Labourer
- Apprenticeship

Further Study

- Certificate III in Carpentry
- Certificate III in Joinery
- Certificate II in Shop Fitting
- Certificate IV in Building and Construction
- Diploma of Building and Constructions

Certificate III in Business

Course Code BSB30120

This qualification reflects the role of individuals in a variety of Business Services job roles. It is likely that these individuals are establishing their own work performance. This course provides students with the opportunity to develop a broad range of skills and knowledge to work in a variety of work contexts using discretion, judgement and relevant theoretical knowledge. Individuals in these roles carry out a range of routine procedural, clerical, administrative or operational tasks that require technology and business skills. They apply a broad range of competencies using some discretion, judgment and relevant theoretical knowledge. They may provide technical advice and support to a team.

Contribution to VCE/VCE-VM

Credit in the VCE (including VCE VM and VPC): recognition of up to two VCE VET units at Units 1&2 VCE VET units at Unit 1&2 Level, a scored VCE VET Unit 3-4 sequence and an additional non-scored VCE VET Unit 3-4 sequence. The scored Unit 3&4 sequence must be delivered and assessed in a single enrolment year. Students are strongly advised against undertaking the scored Unit 3&4 sequence without first completing Units 1&2 because Unit 3&4 sequences are not designed for standalone study.

Types of Assessment

Practical assessment, Written assessment

Packaging Rules

13 units of competency – 6 core units and 7 electives

Structured Workplace Learning

Structured Workplace Learning is not mandated for this course but is strongly recommended

Course Fees

Indicative fees – Integrity College \$1950 Chisholm -\$1300 per year

Course Duration

This course is run over 2 years

Delivery Location & RTO

This course is delivered online by Integrity College Face to face at Chisholm Berwick, Frankston

Occupational Titles

- Office Manager
- Office receptionist
- Office Administration

Further Study

- Business Diploma

Certificate II in Community Services

Course Code CHC22015

This qualification will provide you with the practical skills and knowledge to participate in local government and community organisations that seek to encourage and assist community groups to identify their needs, and plan and develop appropriate services and facilities to meet those needs. This qualification may be used as a pathway for workforce entry as community services workers who provide a first point of contact and assist individuals in meeting their immediate needs. At this level, work takes place under direct, regular supervision within clearly defined guidelines. You will learn about the community services sector and ethical behaviour. You will also develop skills in communication, information provision and processing, administration support, networking and group support.

Contribution to VCE/VCE-VM

Students undertaking CHC22015 Certificate II in Community Services (Release 2) are eligible for up to four VCE VET units on their VCE, VCE VM or VPC statement of results: four VCE VET units at Units 1&2 level.

Types of Assessment

- Written assessment
- Practical assessment

Packaging Rules

9 units of competency, 5 core units and 4 electives

Structured Workplace Learning

Structured Workplace Learning is not mandated for this course but strongly

Delivery Location & RTO

This course is delivered face to face at FLC Frankston or other Secondary Colleges - Westernport Secondary, McClland Secondary College

Duration of course

This course runs for over 2 years

Course fees

Indicative fee for 2026 - \$2,662.00

Occupational Titles

- Aged Carer and Individual Support
- Support Worker Further Study
- Certificate III in Community Services
- Diploma of Community Services

Certificate III in Community Services

Course Code CHC32015

This qualification will provide you with the practical skills and knowledge to participate in local government and community organisations that seek to encourage and assist community groups to identify their needs, and plan and develop appropriate services and facilities to meet those needs. This qualification may be used as a pathway for workforce entry as community services workers who provide a first point of contact and assist individuals in meeting their immediate needs. At this level, work takes place under direct, regular supervision within clearly defined guidelines. You will learn about the community services sector and ethical behaviour, and develop skills in communication, information provision and processing, administration support, networking and group support.

Contribution to VCE/VCE-VM

Students undertaking CHC32015 Certificate III in Community Services (Release 3) are eligible for up to six VCE VET units on their VCE, VCE VM or VPC statement of results:

- two VCE VET units at Units 1 and 2 level
- two VCE VET Unit 3–4 sequences
- and an additional non-scored VCE VET Unit 3&4 sequence

Types of Assessment

- Case studies, Logbooks and Portfolios,
- Practical Skills Assessments,
- Quizzes and Multiple-Choice Questions,
- Role Plays,
- Third Party Observations
- Written Assignments

Course Fees

Indicative fees: \$TBC

120 hours of placement is required with this qualification

Packaging Rules

12 units of competency - 5 core and 7 elective units

Delivery Location & RTOs

Foundation Learning Centre, Chisholm

Occupational Titles

- Community care worker
- Youth Support Worker
- Neighborhood Centre Worker
- Community Services Support Worker
- Residential Support Worker

Further Study

- Diploma of Community Services

Certificate II in Computer Assembly and Repair

Course Code UEE20520

This qualification provides competencies to select components and assemble computer to customer specifications and carry out routine hardware repairs (generally by replacement) of known faulty components following prescribed routines. This course is designed to introduce students to the theory and practice of selecting components and assembling computers to customer specifications and carrying out routine hardware repairs.

Contribution to VCE/VCE-VM

Credit in the VCE or VCE VM recognition of up to four VCE VET units at Units 1 and 2 level, and a VCE VET Units 3 and 4 sequence.

Types of Assessment

- Written assessment
- Practical assessment

Structured Workplace Learning

Structured Workplace Learning is not mandated for this course but is strongly recommended

Packaging Rules

A total of 360 weighting points comprising:

- 200 core weighting points; plus
- 160 general elective weighting points from the general elective units

Delivery Location & RTO

Chisholm Frankston

Course Fees

Indicative course fee for 2026 is \$1,450

Duration of Course

This course is run over 2 years

Occupational Titles

- Computer repairer
- Computer support

Further Study

- Certificate III in Data and Voice Communications
- Certificate IV in Cyber Security
- Certificate IV in Computer Systems Technical Officer
- Diploma in Computer Systems Senior Technical Officer

Certificate II in Cookery

Course Code SIT20421

The qualification is designed to support employees who perform a range of tasks in hospitality establishments, from food preparation and cookery skills to the creation of food and menu items. This qualification provides a pathway to work in kitchen operations in organisations such as restaurants, hotels, catering operations, clubs, pubs, cafés, and coffee shops; and institutions such as aged care facilities, hospitals, prisons, and schools. The course includes units such as preparing appetisers and salads; preparing stocks, soups and sauces; preparing vegetable, fruit and farinaceous dishes; preparing poultry. The qualification does not meet the requirements for a trade recognition as a cook.

Contribution to VCE/VCE-VM

Credit in the VCE (including VCE VM and VPC), recognition of up to two VCE VET units at Units 1&2 level, and a scored VCE VET Unit 3&4 sequence. Students wishing to receive an ATAR contribution must undertake scored assessment for the purpose of achieving a study score. This study score can contribute directly to the primary four or as a fifth or sixth subject.

Types of Assessment

Written and practical assessment.

Packaging Rules

13 units of competency - 8 core units and 5 electives

Certificate III in Early Childhood Education & Care Course Code CHC30121

Take your first steps into the world of an early childhood and childcare support worker with the nationally accredited Certificate III in Early Childhood Education & Care. You will learn to provide safe, nurturing and inclusive education and care for children in a fun and playful setting. Early Childhood educators work in long day care centres, community care centres, family day care pre-schools or kindergartens. You'll learn practical skills in areas such as: first aid; work health and safety (WHS) processes; effective interaction with children; nutritional food provision; childhood development; sustainable practices; appropriate care for babies and children up to five years; and responding to young people at risk.

Contribution to VCE/VCE-VM

Credit in the VCE (including VCE VM and VPC): recognition of up to two VCE VET units at Units 1&2 level, and two VCE VET Unit 3&4 sequences. Note: The scored Unit 3&4 sequence must be delivered and assessed in a single enrolment year. Students are strongly advised against undertaking the scored Unit 3&4 sequence without first completing Units 1&2 because Unit 3&4 sequences are not designed for standalone study.

Types of Assessment

Written and practical assessment on the job observations

Packaging Rules

17 units of competency - 15 core units and 2 elective units

Structured Workplace Learning * This is organised by the RTO

To achieve this qualification, the individual must have completed a total of at least 160 hours of work in a regulated children's education and care service in Australia as detailed in the Assessment Requirements of units of competency. The total number of hours may be applied collectively across all units of competency that include the requirement for workplace hours.

Course Fees

Indicative fees for 2026 - Foundation Learning Centre \$2000 per year - full qualification. Chisholm Institute \$1350 partial qualification

Course Duration

This course is run over 2 years

Delivery Locations & RTO

Chisholm Institute – partial qualification Foundation Learning Centre – full qualification

Occupational Titles

- Early childhood educator
- Outside school hours care assistant
- Playgroup supervisor
- Recreation assistant
- Family-daycare worker
- Nanny
- Early childhood educator or assistant

Further Study

- Diploma of Early Childhood Education and Care
- Bachelor of Early Childhood Education
- Bachelor of Education (Early Childhood Teaching)

Certificate II in Electrotechnology (Pre-Vocational)

Course code 22682VIC

This course covers competencies for work entry programs providing grounding in safety and basic skills and knowledge for work in any electrotechnology discipline. This course is available as an Australian Apprenticeship. The Certificate II in Electrotechnology (Career Start) is a pre-apprenticeship electrical course, providing an introduction to the electrical/electronics industries in areas such as electrical, renewable energy, air conditioning/refrigeration and instrumentation. This course includes the unit CPCCWHS1001 Prepare to work safely in the construction industry. This is the Construction Industry induction card also known as the White Card. Any person on a construction site needs a construction induction card.

Contribution to VCE/VCE-VM

Credit in the VCE or VCAL: recognition of up to four VCE VET units at Units 1 and 2 level, and a VCE VET Units 3 and 4 sequence.

Types of Assessment

Written and practical assessment. This qualification does not offer scored assessment.

Packaging Rules

15 units of competency - 13 core units and 2 elective units

Structured Workplace Learning

Structured Workplace Learning is not mandated for this course but strongly recommended

Delivery Location & RTO

The delivery of this course is at Padua College. RTO is AIET

Course Fees

Indicative course fee for 2026 is \$950

Course Duration

This course runs over 2 years

Occupational Titles

Apprentice Electrician

Further Study

- An apprenticeship in Electrotechnology/Electrical
- Certificate III in Electrotechnology Electrician
- Certificate III in Electrotechnology Electrician Apprenticeship Certificate III in Electrical Fitting Apprenticeship

Certificate III in Emerging Technologies

Course Code 22589VIC

The qualification builds the knowledge and skills with emerging technology to:

- Explore industry career options
- Prepare for further vocational education and training and/or higher education
- Gain employment and further training through a traineeship or apprenticeship
- Gain employment in entry level jobs where the use of evolving technology is a core function

Contribution to VCE/VCE-VM

Credit in the VCE (including VCE VM and VPC), recognition of up to two VCE VET units at Units 1&2 level.

Types of Assessment

Written and practical assessments.

Packaging Rules

14 units of competency.

Structured Workplace Learning

Structured Workplace Learning is not mandated for this course but strongly recommended.

Delivery Location & RTO

This course is delivered at Chisholm Berwick.

Course Duration

This course is run over 2 years.

Cost of Course

Indicative fees for 2026 \$1400 per year.

Occupational Titles

IT support

Further Study

- Certificate IV In Information Technology
- Certificate IV in Cyber Security

Certificate III in Equine Studies

Course Code 22647VIC

This course is designed as an introduction to the equine industry. In the first year of the course, you will learn the skills and knowledge to work safely with horses including basic husbandry and care, understanding equine behaviour, daily work routines and equine anatomy. In second year, you will learn how to identify and monitor the signs of common illness and injury in horses: understand basic horse physiology and the impact of illness and injury on horses: identify conformation in horses and develop the ability to use appropriate conformation, movement and function; and gain understanding of how to implement feeding programs, monitor the quality of feed, feed supplements and individual feeding habits of horses.

Contribution to VCE/VCE-VM

Credit in the VCE (including VCE VM and VPC): recognition of up to two VCE VET units at Units 1&2 level, a scored VCE VET Unit 3&4 sequence and an additional non-scored VCE VET Unit 3&4 sequence.

The scored Unit 3&4 sequence must be delivered and assessed in a single enrolment year. Students are strongly advised against undertaking the scored Unit 3&4 sequence without first completing Units 1&2 because Unit 3&4 sequences are not designed for standalone study assessed in a single enrolment year.

Students wishing to receive an ATAR contribution for VCE VET Equine Studies must undertake scored assessment. This consists of three coursework tasks, worth 66% of the overall study score, and an end-of-year examination which is worth 34% of the overall study score. Scored assessment is based on the scored Unit 3&4 sequence of VCE VET Equine Studies.

Types of Assessment

Written - examinations and practical assessments.

Packaging Rules

11 Units of Competency - 8 core units and 3 electives.

Structured Workplace Learning

Structured workplace learning is not mandated for this course but strongly recommended.

Course Fees

Indicative fees for 2026 \$1200 per year.

Course Duration

This course is run over 2 years.

Delivery Location & RTO

Delivered at Toorak College Mount Eliza RTO: Box Hill Institute Occupational titles

- Stable hands
- Stud hands

Further Study

- Certificate & Diploma in Veterinary Nursing
- Advanced Diploma of Horse Management
- Diploma of Horse Breeding (Stable Management)
- Bachelor of Equine Science

Certificate III in Fitness

Course Code SIS30321

This qualification reflects the role of group and gym fitness instructors. These fitness instructors may plan and deliver group exercise sessions and develop gym-based programs for individuals where the level of personalised instruction and ongoing client monitoring is limited. They work in predictable environments under general supervision. When instructing groups or interacting with clients, they use discretion and judgment to solve routine issues within the parameters of clearly defined organisational policies and procedures. This qualification provides a pathway to work as a fitness instructor in settings such as fitness facilities, gyms, and leisure and community centres.

Contribution to VCE/VCE-VM

Credit in the VCE (including VCE VM and VPC): recognition of up to three VCE VET units at Units 1 and 2 level, and a VCE VET Unit 3–4 sequence.

Types of Assessment

- Observation
- Questioning or Test/Quiz
- Project Portfolio

Packaging Rules

15 units of competency – 11 core and 4 elective units

Structured Workplace Learning

Structured workplace Learning is not mandated for this course but strongly recommended

Course fees

Indicative price for 2026 \$1,415 per year

Course duration

This course is run over 2 years

Delivery Location & RTO

This course is delivered at Chisholm Frankston, Dandenong or Berwick

Occupational Titles

- Fitness instructor
- Group fitness instructor

Further Study

- Certificate IV in Fitness
- Diploma of Sport, Aquatics and Recreation Management

Certificate III in Health Services Assistance

Course Code HLT33115

The program reflects industry and student demand for qualifications in health and community sectors. The program includes a nationally recognised First Aid Certificate and covers key employability skills that are transferable to any industry. It provides students with the knowledge and skills that will enhance their employment prospects in the health industry. These qualifications cover workers who provide assistance to allied health professionals and other health professionals with the care of clients.

Contribution to VCE/VCE-VM

Credit in the VCE or VCE Vocational Major: recognition of one VCE VET unit at Unit 1 level, and two VCE VET Units 3&4 sequences.

Note: The Units 3&4 sequence of VCE VET Health is not designed as a stand-alone study. Students are strongly advised against undertaking the Units 3&4 sequence without first completing Unit 1. Where a Scored VCE VET Units 3&4 sequence is used as an increment, the increment will be calculated using 10% of the scaled score.

Where an additional Non-Scored VCE VET Units 3&4 sequence is used as an increment, the increment will be calculated using 10% of the fourth study score of the primary four.

Types of Assessment

Written and practical assessments.

Packaging rules

15 Units of Competency - 7 core units and 8 electives

Structured Workplace Learning

Structured workplace learning is not mandated for this course but strongly recommended

Course Fees

Indicative price for 2026: EMC \$1400, Chisholm \$2450, Holmesglen Moorabbin \$2,520 per year

Course Duration

This course is run over 2 years.

Delivery Location & RTO

Elisabeth Murdoch College RTO Antrick | Chisholm Frankston | Holmesglen – Moorabbin

Occupational Titles

- Allied health assistant
- Health support services attendant

Further Study

HSSHLT0006 Operating Theatre Technician Specialisation skill set.

Certificate II in Horticulture

Course Code AHC20422

This qualification is a pre-apprenticeship course where you will learn the basic skills in horticulture, as well as an overview of the specialist skills in five horticulture trades: parks and gardens, landscape construction, nursery, sports turf management and arboriculture. Individuals with this qualification carry out routine tasks under supervision where the work is predictable and structured. Employment opportunities can include nursery worker, assistant landscaper, assistant parks or garden worker.

Contribution to VCE/VCE-VM

Students undertaking AHC20416 Certificate II in Horticulture (Release 3.0) are eligible for up to four VCE VET units at Units 1&2, and a VCE VET Unit 3&4 sequence.

Types of Assessment

Written assessment and practical assessment. There is no scored assessment available for this qualification.

Packaging Rules

15 units of competency: 8 core units and 7 elective units.

Structured Workplace Learning

Structured Workplace Learning is not mandated for this course but is strongly recommended.

Course Fee

Indicative fee for 2026: Holmesglen - \$1500, Chisholm \$2570 per year.

Course Duration

This course is run over 2 years.

Delivery Location & RTO

This course is delivered at Holmesglen Moorabbin and Chisholm Frankston.

Occupational Titles

- Working in the public and private sector as a gardener
- Horticulture Worker
- Horticulture Assistant
- Landscaping companies

Further Study

- Certificate III in Tourism Officer,
- Certificate IV in Tour Leader,

- Diploma of Holiday Park Manager

Certificate III in Visual Arts Course

Code CUA31120

This qualification reflects the role of individuals who are developing a range of visual art skills and who may take responsibility for their own outputs in work and learning, providing students with the opportunity to produce drawings to communicate ideas, apply knowledge of history and theory to their own arts practice and produce creative work. Employment opportunities reflect roles such as ceramics studio assistant, community theatre assistant, and arts, craft, or design practitioner. It applies to work in different visual arts, crafts, and design environments. Practice at this level is underpinned by the application of introductory art theory and history.

The job roles that relate to this qualification may include Ceramics Studio Assistant, Community Theatre Assistant, and Arts, Craft or Design Practitioner. It also provides pathways to other visual arts, craft, and design job roles. Individuals may work under direction, using some discretion and judgment, and may provide support to a team. They may also work autonomously on familiar tasks within defined work settings.

Contribution to VCE/VCE-VM

Credit in the VCE (including VCE VM and VPC): recognition of up to two VCE VET units at Units 1 and 2 level, and two VCE VET Unit 3&4 sequences.
